eNVD

Before you hit 'submit', ensure you check with your transporter and receiver, including saleyards and agents, that they are ready to receive digital consignments.

If your receiver isn't using eNVD, you can still use the eNVD app. Here's how:

SEND A PDF COPY VIA SMS OR EMAIL

1 To share a link to the consignment as a PDF via SMS or email navigate to the **'View'** page and tap the three dots ••• next to the consignment you wish to share.
