app

- Sharing an eNVD link by SMS or email is a quick and easy way to provide staff, transporters, agents, saleyards or processors with a digital copy of your National Vendor Declaration (NVD).
- Recipients **do not need** the eNVD app or an eNVD account to view the consignment.
- When they open the link, the consignment will display in the familiar NVD format.
- Follow the below steps to share an eNVD link.

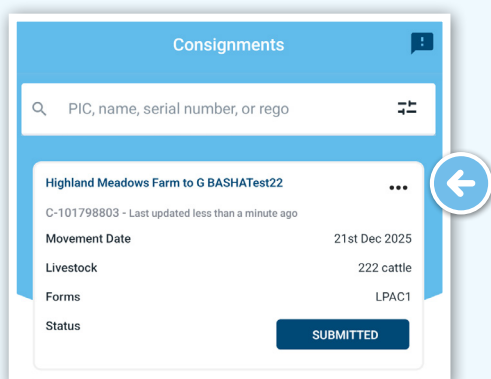

- 1 Tap **View** to display all consignments.

- 3 From the options, tap **Share eNVD**.

- 2 Find the eNVD you want to share, then tap the three dots ... next to the consignment.

- 4 You can then copy the URL and paste it into any messaging platform, e.g. email, SMS, WhatsApp, etc. or select an app from the options on screen.
