

Livestock Production Assurance – what it means for you on-farm

ISC Webinar Series - 2026

Integrity Systems

red meat customer assurance

Livestock Production Assurance (LPA) is the on-farm assurance program that underpins market access for Australian red meat. All producers – regardless of flock or herd size – need to be accredited to access the LPA National Vendor Declaration.

In three upcoming webinars, ISC will walk you through the requirements related to animal welfare, livestock movements, and audits and accounts.

WEBINAR 1

LPA: Animal Welfare

Tuesday 14 April, 7pm (AEST)

This session will take an in-depth look at three LPA modules related to Animal Welfare:

- Safe and responsible animal treatments
- Stock foods, fodder, crops, grain and pasture treatments
- Animal Welfare, including Animal Welfare Management Plans

Register:
bit.ly/40ZC44H

WEBINAR 2

LPA: Livestock movements

Thursday 16 April, 7pm (AEST)

This session will take an in-depth look at two LPA modules related to livestock movements:

- Preparation for dispatch of livestock
- Livestock transactions and movements

Register:

WEBINAR 3

LPA: Audits and accounts

Thursday 23 April, 7pm (AEST)

This session will cover the voluntary modules as well as LPA audits and account management:

- Voluntary modules – harvested Rangeland Goats, Dairy QA, EUDR
- Audits
- Account management

Register:
