

July 2013

View my notifications

Your **Notifications mailbox** allows you to manage any database notifications which are sent to you to inform you about transactions involving your PIC(s). If a transaction that involves your PIC(s) is submitted and it breaches database business rules, then information, warning or error messages will be sent to you, depending on the severity of the breach.

Accessing your Notifications mailbox

- 1 Enter your **NLIS user ID** and **password** and click **Login**
- 2 Select **View my notifications** and click **Go**

Which livestock do you want to work with?

I want to work with

What do you want to do today?

I want to

Go

Account management

- Change my types of livestock
- View/edit my account details

Notify the database of:

- Device status
- Livestock moved off my property
- Livestock moved onto my property
- PIC reconciliation
- Replaced tags
- Transfer correction

Reports

- Audit property (producers and regulators)
- Beast enquiries
- Carcass feedback query
- Search the PIC register
- View devices on my property
- View large report results
- View my notifications**
- View my transaction history
- View/generate all reports

The options for producers (pictured) on this dropdown are slightly different from those for other account types, but the process of accessing your **Notifications mailbox** is the same.

Alternatively, to access your **Notifications mailbox** you can also click this link, which appears in the top-right corner of every page on the NLIS database website.

- To **open** and view a specific notification, click the text in the Subject column.
- To Delete / Mark as read / Mark as unread, tick the box to **select** a specific notification.

Contact details for you to ask questions or request assistance

If you would like more information on the status codes and what they represent, please contact the NLIS Helpdesk on 1800 654 743 and have this email handy. The NLIS Helpdesk is open 8am to 6pm AESTD, Monday to Friday.

Click this button if you would like to resend this notification to the email address associated with your account.

Note: Any notifications you delete may be reinstated by SA accounts. To request that an email you have deleted be reinstated, contact the [NLIS Database Helpdesk](#) on 1800 654 743.

Managing your notifications

A **Notification settings** page (accessible from the **Notifications mailbox** page) allows users to opt-out of receiving Acknowledgement notifications, which are sent to account holders when they upload files to the database.

When you tick the 'Opt-out' box on the **Notification settings** page (as below), Acknowledgement messages will not be sent to your Notifications mailbox, or the email address associated with your account.

Note: Any Acknowledgement notifications which are generated for you while you have opted-out of receiving them will not be stored on the database.

Opt-outs

Acknowledgements

☒ Opt-out of receiving **all** Acknowledgement notifications (email and online)

If you opt-out of receiving a database notification and later wish to resume receiving it, click the 'Settings' button on your Notifications mailbox webpage to return to this page, and remove your opt-out.

Accessing a Shared inbox

Some account holders will also have access to a **Shared inbox**, which will enable them to access all email notifications sent to a mailbox for a particular organisation (e.g. Federal DAFF, NSW Police, VIC DPI, etc).

Shared inboxes have the same appearance as a personal **Notifications mailbox** (or **Personal inbox**).

If a **Shared inbox** is linked to your account, you can access it by clicking on the Shared inbox tab (circled below).
